**DEPARTMENT OF SCHOOL EDUCATION
CHANDIGARH ADMINISTRATION
ACADEMIC SESSION 2026-27
ANNUAL ACADEMIC AND ACTIVITIES CALENDER**

Department aims to provide a conducive environment in the schools for our 'learning community', to enable them to acquire requisite skills and achieve academic excellence along with personal growth. The schools are dedicated to preparing 'the future of our nation' to be conscientious and responsible citizens with a sense of honesty and a spirit of creation.

The curricular and co-curricular activities in the Government schools of UT Chandigarh have been prepared to ensure our students achieve academic excellence, value their history-culture and make them confident, independent and versatile. These holistic development activities during the year will give the students a positive attitude and prepare them to embrace their future.

The school assembly is an integral part of the curriculum in Government UT schools as it helps in inculcating discipline among students, instills pride and a sense of belonging, develop social skills, celebrate festivals and occasions together and from a broader perspective it's all about bringing all students and the school staff together. The schools during the year will be making best use of these assemblies so that every school day is fun and educational for them. The regular PTA meets and parent-teacher interaction planned will strengthen the learning process.

This calendar will also facilitate the functioning in the Government Schools and allowing them to plan an exciting year ahead.
